

How to Petition

- 1. Download copies of petitions, info sheets (“Five things you can do to Help...,” and the “City Council Contacts” sheet) and print. All documents can be found at www.saveoaklandlibrary.org.**
- 2. Sign up with the petition coordinator by emailing saveoaklandlibrary@gmail.com. Please mention the location at which you want to petition and the hours you want to work. Please send this info in advance so that she can coordinate times and locations for petitioning to take place.**
- 3. Supplies needed: blank petitions, 2 clipboards, pens, a small folding table and a chair, info sheets, and blank pad of paper.**
- 4. Set up outside the library entrance. It is extremely important that you set up outside the library and do not block its entrance.**
- 5. Ask people to tell their friends, sign petitions and, if they are interested in volunteering in any way, get their contact info on the blank pad.**
- 6. Return completed petitions to the book drop at Lakeview Library or to the petition coordinator by Sunday, June 5th. They will be presented to the City Council at the next Council meeting.**
- 7. Do it all over again. 😊**
