

# Is this the Oakland we want?

Here's what would happen if the City Council passes the budget it's seriously considering:

Rockridge Library

Temescal Library/Tool Lending Library

Main Library

Dimond Branch & 81st Avenue Branch open 2-3 days a week—all other branches **CLOSED**

We need a budget plan that will keep ALL our Libraries open.

**Please CALL the Oakland City Council today and tell them that the current plan is not acceptable.**
